## Veterans' Day 5K!

9:00 a.m. on Saturday, November 5, 2016

(Registration begins at 7:30 a.m.)

\*Meet south of the Engineering Building at the sculpture fountain plaza east of Glover.

The Colorado State University Veterans' Day 5K is an annual, non-profit fund raiser designed to raise money for the Veteran's Scholarship fund. This scholarship is awarded to veterans who were honorably or medically discharged and are living with disabilities related to their military experience.

The race is also to honor a fallen member of our armed forces who has a personal connection to Colorado State University.

*This year, we will be celebrating the 100th anniversary of the  
ARMY ROTC.*

Over the years, the run has attracted hundreds of participants: CSU alumni, veterans, children running and in strollers, experienced runners, and everyone in between. Each year, race participation grows steadily, allowing us to help a disabled student veteran achieve the goals of successfully completing higher education. Join us and our community members in honoring a fallen hero as well as helping our student veterans.

The race course is flat and entirely paved and marked. The route circles around The Oval, a CSU landmark, and across the campus, highlighting much of CSU's main campus.

Why do I wish people "Happy Holidays"?

Because from 1 November to 15 January there are approximately 29 holidays observed by 7 of the world's major religions.

And I don't think mine are the only ones that count.

## SUPPORT DIVERSITY AND INCLUSIVE EXCELLENCE

Your support of our inclusive excellence initiatives will impact the entire campus. We appreciate your contributions to our programs designed to create the best CSU possible!
