**Colorado
State**
University

- This year's survey was designed to assess the current campus climate of the university
- Results are intended to
 - Provide an overall picture of CSU's employment experiences and perceptions
 - Further CSU's commitment to institutional accountability
 - Inform policies, initiatives, and opportunities that will provide an exceptional and equitable work environment
 - Provide a small benchmark for longitudinal data collection and comparison for perceptions of diversity

- Climate Survey designed by the Assessment Group for Diversity Issues
- Administered via Campus Labs in Fall 2016
 - Spanish and hard copy versions available
 - 15 minutes to complete
 - Anonymous
 - Results are reported in aggregate and no identifying information reported (e.g. small cell sizes)
 - Email initiation sent by President Frank
 - Two week follow-up reminder sent by councils to their employee listserv
