# **Employee Climate Survey 2021**

# **College of Natural Sciences**

The 2021 CSU Employee Climate Survey is a component of a biennial assessment conducted in the fall to assess employee perceptions related to their department/unit, division/college, and CSU. The 2021 is based on the survey developed in 2018 by the Assessment Group for Diversity Issues, a CSU service committee. The 2021 instrument focuses on employment themes of culture, leadership accountability, respect, favoritism, communication, discriminatory attitudes, and performance review.

Most items use a five-point Likert scale (1 = Strongly Disagree, 2 = Disagree, 3 = Neither Agree nor Disagree, 4 = Agree, 5 = Strongly Agree). Tables appearing in Frequencies of Results show the complete set of survey frequencies by theme (e.g., Work Culture, Performance Review, Leadership Accountability, etc.) as well as the total (weighted N). On many of the survey items, respondents could choose a non-evaluative response such as "Don't know," "NA" or "Prefer not to disclose." "These responses, along with missing data, have been excluded from all analyses. Subgroup comparisons by gender, minoritized status, and employment type are based on the proportion of respondents who "strongly agree" or "agree" with each item and statistically significant differences (p < .05) between subgroup members are noted within the tables. Additionally, an overall index score representing the average percent agree (e.g., Work Culture Overall) appears within each table. For example, the Work Culture theme includes 13 individual survey items. If an employee selected "agree" or "strongly agree" to 9 out of the 13 items, their Work Culture index score would equal 69%. An employee must have answered all survey items within a theme in order for an index score to be calculated. An overall index score represents the average of the individual index scores or all employees included in the group or category.

Table 1 displays the total number of employees contacted for the survey, the number of employees that responded, and the response rate.

Table 1: Response Rates by Department/Unit

	Sent	Bounce	Opt-out and refusal	Completed	Response rate*
College of Natural Sciences	516	3	23	142	27.7%
Biochemistry and Molecular Biology	59	1	0	14	24.1%
Biology	90	0	7	24	26.7%
Chemistry	84	0	6	15	17.9%
Computer Science	43	0	3	9	20.9%
Education & Outreach Center	3	0	0	1	33.3%
Mathematics	64	0	2	12	18.8%
Office of Dean	21	0	0	12	57.1%
Physics	44	0	1	12	27.3%
Psychology	76	2	1	27	36.5%
Statistics	32	0	3	15	46.9%
Unknown	0	0	0	1	

<sup>\*</sup> Response rate = Completed / (Sent - Bounce)

When the proportions of a demographic subgroup in the survey sample differ substantially from known population proportions and when members within a subgroup may meaningfully diverge on variables of interest, data weighting can provide a more accurate summary of the true population response than simple averaging. For the 2021 survey, representation by gender, racially minoritized status, and employment type were compared to known population norms, and weighted to balance any discrepancies. Additionally, a secondary weight was applied to increase the sample n to approximate the total number of employees in the division or college at the time of the survey's administration. Results of the weighting scheme are displayed in Table 2.

Table 2: 2021 Employee Climate Survey Weighting Results

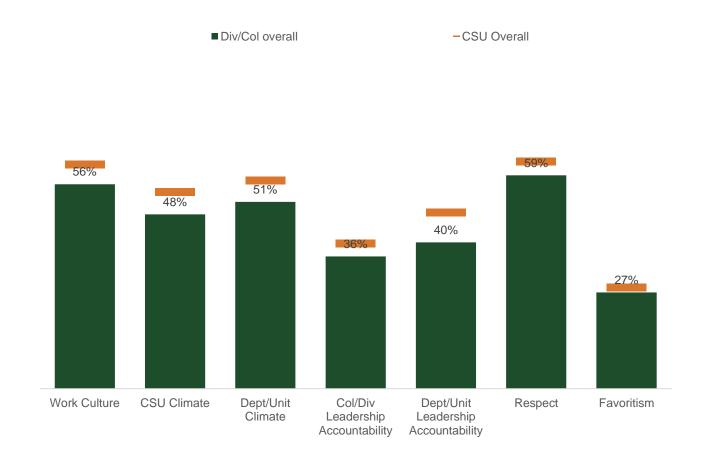

·		Division population norm	Unweighted survey sample	Weighted survey population
Respondent gender	Man	52%	39%	51%
	Woman	48%	57%	44%
	Trans, nonbinary, nonconforming (T/NB/NC)		5%	5%
Racially minoritized	Racially minoritized	16%	22%	15%
status	Non-racially minoritized	84%	78%	85%
Employee type	Admin Professional	28%	30%	29%
	Contract, continuing, and adjunct (CCA)	19%	17%	16%
	Tenure or Tenure-track (T/TT) Faculty	34%	32%	34%
	State Classified	9%	16%	11%
	Other Salaried Employee	10%	4%	9%

Results are weighted by gender, racially minoritized status, and employee type.

# **Frequencies of Results**

The following tables display the complete set of frequencies for each survey question asked on the survey. Percentages and proportions of respondents providing a given response are abbreviated to "Pct" and the number of respondents representing the total weighted division population are also provided under the abbreviated heading of "Pop."

**Table 3: Work Culture** 

Table 3. Work Culture						
Thinking about your work environment during the past 12 months, please indicate your agreement with the following statements about work culture.	Strongly disagree	Disagree	Neither agree nor disagree		Strongly agree	Total (Pct   Pop)
My department/unit promotes a work environment where all employees feel included	8.8%	15.2%	14.6%	44.1%	17.3%	100.0%516
My department/unit treats all employees equitably	10.2%	24.2%	16.7%	35.7%	13.2%	100.0% 509
My department/unit is open and transparent in communication	12.6%	17.8%	20.2%	36.1%	13.2%	100.0% 512
My department/unit values employee input in major department/unit decisions	8.7%	12.8%	24.9%	33.9%	19.8%	100.0% 512
My department/unit promotes respect for cultural differences	3.5%	10.5%	27.1%	35.3%	23.6%	100.0% 512
My department/unit understands the value of diversity	6.4%	10.5%	20.3%	37.2%	25.6%	100.0% 512
My department/unit communicates the importance of valuing diversity	6.9%	10.0%	21.3%	36.4%	25.5%	100.0%512
I feel valued as an employee	14.4%	10.6%	12.8%	34.6%	27.5%	100.0% 512
I feel a strong sense of belonging to CSU	14.6%	14.7%	26.9%	29.0%	14.8%	100.0% 512
I feel a strong sense of belonging to my division/college	13.2%	16.3%	21.0%	31.6%	17.9%	100.0% 512
I feel a strong sense of belonging to my department/unit	13.0%	11.4%	18.6%	29.6%	27.5%	100.0% 512
I would recommend CSU as a place of employment	8.0%	9.0%	22.1%	33.6%	27.3%	100.0% 512
I would recommend my department/unit as a place of employment	10.3%	9.4%	18.9%	34.6%	26.8%	100.0% 509

**Table 4: Performance Review in Last Year** 

	Yes, I had a review	No, I did not have a review	Total (Pct   Pop)
Did you have a performance review in the last year?	84.3%	15.7%	100.0% 507

**Table 5: Performance Review** 

Table 5. I citofiliance review						
Please indicate your level of agreement with the following statements about your most recent performance review.	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree	Total (Pct   Pop
I am satisfied with the effort my supervisor put into my most recent performance review	4.1%	9.3%	15.2%	37.5%	33.8%	100.0%42
I fear negative job consequences if I am to raise an issue of unfair treatment during my review	35.7%	31.5%	12.5%	13.4%	6.8%	100.0%42
I am aware of the process to mediate disagreements with my supervisor regarding my evaluation.	1.1%	16.2%	21.4%	46.3%	14.9%	100.0%42

Asked only of those respondents who had a performance review in the last year.

Table 6: Respect

Thinking about your work environment during the past 12 months, please indicate your level of agreement with the following statements about respect.	Strongly	Disagree	Neither agree nor disagree		Strongly agree	Total (Pct   Pop)
My department/unit is treated with respect by other units within my college/division	5.7%	10.5%	32.5%	40.1%	11.2%	100.0% 509
My college/division is treated with respect by CSU	2.1%	9.6%	38.0%	39.8%	10.4%	100.0%509
The people I interact with treat each other with respect	3.2%	8.1%	15.0%	51.3%	22.4%	100.0% 509
There is respect for religious differences in my department/unit	3.2%	4.3%	38.3%	37.7%	16.4%	100.0%509
There is respect for liberal perspectives in my department/unit	0.0%	0.3%	23.1%	49.4%	27.3%	100.0%509
There is respect for conservative perspectives in my department/unit	7.5%	7.2%	39.1%	35.7%	10.5%	100.0% 509

Table 7: Favoritism

The gender I most closely align with is not listed (please specify)	0.0%	*

Total may exceed 100% as respondents could select more than one option.

Table 21: Gender Scales

Gender is often not easily captured through categorical measures. Gender is much more complex and nuanced. In an attempt to understand this complexity and how various genders experience the campus, we are using these scales to measure how individuals view themselves. Scaled measures of gender, as seen below, are also an attempt to understand the experiences of all genders on campus. In general, how do you see yourself? (please answer all three scales)		Pop	ne Mean		Pop	ne Mean	Andro		
0 Not at all	36.7%	147		30.3%	121		78.1%	313

## **Comparisons by Gender**

The gender of respondents is based on responses to the multiple response gender survey question (Table 20). If a respondent selected "Man" alone or in combination with "Cisgender," they are coded a "Man." Similarly, if a respondent selected "Woman" alone or in combination with "Cisgender," they are coded as "Woman." If a respondent selected any combination of "Agender," "Non-binary/Gender Queer/Gender Non-Conforming," "Trans/Transgender," "Trans Man/Masculine," "Trans Woman/Feminine," and/or "Two Spirit" they are coded as "Trans, non-binary, or non-conforming" (T/NB/NC). Gender could not be determined for respondents who skipped the question or selected "Prefer not to disclose;" these respondents are excluded from these analyses.

## **Comparisons by Racially Minoritized Status**

Racially minoritized status is based on responses to the multiple response race and ethnicity survey question (Table 22). If a respondent selected only one race and that one race was Asian, Black, Hispanic or Latinx, Native American or Alaska Native or First Nations, or Native Hawaiian or Other Pacific Islander, or they selected "The race/ethnicity I most closely align with is not listed," they are coded as racially minoritized. If a respondent selected one race and that one race was White, they are coded as non-racially minoritized. If a respondent selected more than one race in any combination, they are coded as racially minoritized. Racially minoritized status could not be determined for respondents who skipped the question or selected "Prefer not to disclose;" these respondents are excluded from these analyses.

## Comparisons by Employee Type

Employment type is based on the employee's current classification within the Human Resources system. State Classified (SC) employees are those with positions within the State Personnel System under Colorado statutes. Administrative professional (Admin Pro) employees hold positions exempt from the State Personnel System under Colorado statutes and are not faculty positions. Research Associates and Research Scientists are considered Admin Pro. Faculty includes all personnel who carry academic rank (professor, associate professor, assistant professor, master instructor, senior instructor, instructor, and faculty affiliate) and the University President. Faculty have been coded into two groups. Tenure and Tenure Track (T/TT) faculty include tenured faculty, tenure-track faculty, and faculty with transitional appointments. Contract, Continuing, and Adjunct (CCA) faculty include contract faculty, continuing faculty, and adjunct faculty as well as faculty with temporary, special, and/or senior teaching appointments. As employment type was included as part of the survey sample meta data (and not asked on the survey), employment type could not be determined for employees who completed a hard copy survey. These employees as well as other salaried employees are excluded from these analyses.

The reported population reflects the number of respondents who answered the survey item.

<sup>\*</sup>Reverse coded when included in overall rating 1,2,3

<sup>1.</sup> Results are based on two-sided tests assuming equal variances. For each significant pair, the key of the smaller category appears in the category with the larger mean. Significance level for upper case letters (A, B, C): .05

<sup>2.</sup> Tests are adjusted for all pairwise comparisons within a row of each innermost subtable using the Bonferroni correction.

<sup>3.</sup> Cell counts in some subtables are not integers. They were rounded to the nearest integers before performing pairwise comparisons.

Percent "Agree" or "Strongly agree"

<sup>1.</sup> Results are based on two-sided tests assuming equal variances. For each significant pair, the key of the smaller category appears in the category with the larger mean. Significance level for upper case letters (A, B, C): .05

<sup>2.</sup> Tests are adjusted for all pairwise comparisons within a row of each innermost subtable using the Bonferroni correction.

<sup>3.</sup> Cell counts in some subtables are not integers. They were rounded to the nearest integers before performing pairwise comparisons.

## **Comparisons by Year**

In order to yield meaningful longitudinal comparisons, the 2018 survey sample was weighted using similar methods as 2021. Consequently, 2018 results will not match prior reports because of this methodological adjustment. Only survey items asked in both 2018 and 2021 are presented in the following tables.

Figure 6: Organizational Themes Compared by Year

**Table 117: Work Culture** 

Thinking about your work environment during the past 12 months, please indicate your	201 (A)	_	202 (B	
agreement with the following statements about work culture.	Pct	Pop	Pct	Pop
WORK CULTURE OVERALL	63.3% B		56.3%	505
My department/unit promotes a work environment where all employees feel included	3.4%	513	3.5%	516
My department/unit treats all employees equitably	3.2%	509	3.2%	509
My department/unit is open and transparent in communication	3.3%	507	3.2%	512
My department/unit values employee input in major department/unit decisions	3.4%	507	3.4%	512
My department/unit promotes respect for cultural differences	3.8%	499	3.7%	512
My department/unit understands the value of diversity	3.9% B		3.7%	512
My department/unit communicates the importance of valuing diversity	3.6%	506	3.6%	512
I feel valued as an employee	3.6%	509	3.5%	512
I feel a strong sense of belonging to CSU	3.6% B		3.1%	512
I feel a strong sense of belonging to my division/college	3.5% B		3.2%	512
I feel a strong sense of belonging to my department/unit	3.7% B		3.5%	512
I would recommend CSU as a place of employment	4.0% B		3.6%	512
I would recommend my department/unit as a place of employment	3.8% B		3.6%	509

The reported N reflects the number of respondents who answered the survey item. 1,2,3

Table 118: Performance Review in Last Year

	2018 (A)	}	2021 (B)	
Did you have a performance review in the last year?	Pct	Pop	Pct	Pop
Yes, I had a review	97.1% B	449	84.3%	427
No, I did not have a review	2.9%	13	15.7% A	80

Results are based on two-sided tests. For each significant pair, the key of the category with the smaller column proportion appears in the category with the larger column proportion.

Significance level for upper case letters (A, B, C): .05<sup>1,2</sup>

<sup>1.</sup> Results are based on two-sided tests assuming equal variances. For each significant pair, the key of the smaller category appears in the category with the larger mean. Significance level for upper case letters (A, B, C): .05

<sup>2.</sup> Tests are adjusted for all pairwise comparisons within a row of each innermost subtable using the Bonferroni correction.

<sup>3.</sup> Cell counts in some subtables are not integers. They were rounded to the nearest integers before performing pairwise comparisons.

<sup>1.</sup> Tests are adjusted for all pairwise comparisons within a row of each innermost subtable using the Bonferroni correction.

<sup>2.</sup> Cell counts of some categories are not integers. They were rounded to the nearest integers before performing column proportions tests.

**Table 119: Performance Review** 

Please indicate your level of agreement with the following statements about your most	201 (A)			-
recent performance review.	Pct	Pop	Pct	Pop
PERFORMANCE REVIEW OVERALL	87.8% B	459	77.5%	427
I am satisfied with the effort my supervisor put into my most recent performance review	3.9%	471	3.9%	427
I fear negative job consequences if I am to raise an issue of unfair treatment during my review*	2.6% B	495	2.2%	427
I am aware of the process to mediate disagreements with my supervisor regarding my evaluation.	NA	*	3.6%	427

Asked only of those respondents who had a performance review in the last year.

Percent "Agree" or "Strongly agree"

- 1. Results are based on two-sided tests assuming equal variances. For each significant pair, the key of the smaller category appears in the category with the larger mean. Significance level for upper case letters (A, B, C): .05
- 2. Tests are adjusted for all pairwise comparisons within a row of each innermost subtable using the Bonferroni correction.
- 3. Cell counts in some subtables are not integers. They were rounded to the nearest integers before performing pairwise comparisons.

## Table 120: Respect

	201	_	202	
Thinking about your work environment during the past 12 months, please indicate your level of	(A)		(B)	
agreement with the following statements about respect.	Pct	Pop	Pct	Pop
RESPECT OVERALL	64.6% B		58.7%	509
My department/unit is treated with respect by other units within my college/division	3.6% B	-	3.4%	509
My college/division is treated with respect by CSU	3.8% B		3.5%	509
The people I interact with treat each other with respect	3.7%	511	3.8%	509
There is respect for religious differences in my department/unit	3.8% B		3.6%	509
There is respect for liberal perspectives in my department/unit	4.2% B		4.0%	509
There is respect for conservative perspectives in my department/unit	3.2%	434	3.3%	509

Percent "Agree" or "Strongly agree"

The reported N reflects the number of respondents who answered the survey item. 1,2,3

## Table 121: Favoritism

During the past 12 months, please indicate your level of agreement with the following	201 (A		2021 (B)	
statements about favoritism. Favoritism plays a role in who gets:	Pct	Pop	Pct	Pop
FAVORITISM OVERALL	28.5%	419	26.5%	498
Recognized within my department/unit	3.1%	464	3.0%	505
Resources in my department/unit	3.0%	451	2.9%	505
Professional development opportunities	2.6%	441	2.6%	505
Promoted in my department/unit	2.8%	452	2.7%	502
Hired in my department/unit	2.6%	443	2.5%	501

Percent "Agree" or "Strongly agree"

The reported N reflects the number of respondents who answered the survey item.

<sup>\*</sup>Reverse coded when included in overall rating

<sup>\*</sup> Values reported for items with  $n \ge 3.1,2,3$ 

<sup>1.</sup> Results are based on two-sided tests assuming equal variances. For each significant pair, the key of the smaller category appears in the category with the larger mean. Significance level for upper case letters (A, B, C): .05

<sup>2.</sup> Tests are adjusted for all pairwise comparisons within a row of each innermost subtable using the Bonferroni correction.

<sup>3.</sup> Cell counts in some subtables are not integers. They were rounded to the nearest integers before performing pairwise comparisons.
